

2019 Senior Baby Pix Ads Prices & Specifications

Dear Parents, Guardians and Friends of the Class of 2019:

Congratulations on your soon to be senior! Graduation marks a very special time. One way to commemorate this event is by placing a "baby pics ad" in the 2019 Pines Yearbook.

What is a Baby Pix ad? The trend has been to honor your senior by using a combination of: his or her baby photo, a recent photo, or a family photo, a blessing, a biblical passage, artwork, poetry, or text with your message, and/or recognition of your student's achievement. Your child, grandchild or friend will always cherish your special sendoff.

Why Purchase a Baby Pix ad? This is your chance to capture a meaningful time and send off your senior with some fanfare. Annually, the Pines yearbook offers prices on personal ads (see price list below) to the family and friends of seniors. This gives you the opportunity to say "congratulations," "thanks for being my friend/daughter/son," "we love you," etc. We will print your message accompanied by photos.

What Do Baby Pix ads Look Like? Please see ad specifications on back. Please see examples of Baby Pix ads at chsyarbooks.weebly.com. A sample page grid is attached. Please draw your message in your choice of blocks on the back. We cannot guarantee a certain position on a page. Examples of former ads are out on Central's website under the yearbook tab, Baby Pix/Parent ads.

I'd Like to Purchase One...What Do I Do Now? Please send or email **1.** the photos you'd like used, **2.** your message (can be typed up in an email to Olivia), **3.** the form below, and **4.** cash or a check to Pines '19. We Do Ask: Please do not submit nude baby photos. Each student's name will be printed in the ads, so please ensure that the information below is filled out accurately.

If you have any questions after you have carefully read this, please email Olivia Fiebing at fiebingoli24@tcapsstudent.net. We will ensure that only one or two yearbook students help with your ad layout so your message will be a surprise, not only to your student, but also to the whole school.

Every day is a new opportunity. You can build on yesterday's success or put its failures behind and start over again. That's the way life is, with a new game every day, and that's the way you have always played. We are so very proud of who you are even when nobody is looking. We love you always,
